

Wedding Rentals FAQ

What is the maximum amount of guests for a wedding in the garden?

- The maximum amount of guests for each wedding is 120, no exceptions.

Do you have a rainout location in case it does rain on our wedding day?

- We do not have a solid rain backup here and we recommend that couples plan one on their own if they would like. It is very rare that there is rain, and if there is it will usually pass shortly enough for the wedding to simply have a short delay. Our multipurpose room can be used as a backup, however it is not recommended to be used as one for weddings with over 60 guests.

Do you have a microphone or sound system that we can rent?

- No. We leave it up to the couple to provide their own sound equipment if they need it. There are outlets in both the rose garden and the gazebo if needed.

Can we get married in a different location other than the Rose Garden?

- This is a question that would be discussed with the head of the rental committee. Most weddings take place in the Rose Garden or near the gazebo.

Can we supply our own chairs?

- No. We only allow our chairs in the garden. Using our chairs ensures that couples are not liable for setup and takedown during

their timeslot. This also helps to avoid interference with other weddings.

Can we supply our own signing table?

- Yes.

Can I pay for my rental over the phone?

- Yes. We accept credit card payments over the phone, but we do recommend coming in at least once to see the site before paying for a rental.

Is signage provided?

- Yes. We will put a sign at each entrance of the rose garden with your names and the time of your wedding.

When will chairs be setup on the day of the wedding?

- The chairs will be setup by the time your rental starts.

Can we serve alcohol at our ceremony?

- No alcohol is allowed in the garden. The only spot to serve alcohol at the park is in our multi-purpose room, and you must have or obtain a liquor license to do so.

What is the shape and size of the signing table?

- The signing table is a rectangle that is 4 feet long and 2 feet wide.

Do you provide table cloths?

- No. We leave it up to the couple to bring in any tablecloths they might need.

Is there access to public washrooms on site?

- Yes. There are public washrooms outside of the John Beedle Centre. If you rent the room you will have access to the public washrooms and the private indoor washroom.

Can we have confetti or rice thrown in the garden?

- No. The only acceptable item that may be thrown in the garden are real flower pedals. Bubbles are also commonly used.

Can we book a rehearsal before our wedding?

- Yes. Rehearsals can be booked in one hour time slots and are free of charge.

When do we need to confirm our guest count and chair placement?

- These details can be settled at a final appointment with our rental coordinator. These appointments typically take place at least two weeks before the rental date.

If we have to cancel our wedding, will we get our deposits back?

- If written notice of cancellation is received 60 days prior to the reserved date, all of your deposits will be refunded except for a \$100 administrative fee.
